

28 June 1967

Mr. Bannerman:

Please note the following charts which have been tabbed 1, 2, 3, and 4.

1. The total Overt cases pending in the Personnel Security Division is higher than usual.
2. Tab 2 shows a continuing widening of the gap between cases scheduled and cases completed in the Reinvestigation Program.
3. Tab 3 shows that the Security-approved applicants who cancelled prior to EOD took a sharp upturn during May.
4. Tab 4 shows an ever widening gap between the number of technical inspections overseas which were estimated and which have been completed.

THERE ARE NO PARTICULAR PROBLEMS REFLECTED BY THE O/SECURITY REPORT FOR MAY '67.

WHILE THE GAP BETWEEN SCHEDULED AND COMPLETED WORK HAS INCREASED SLIGHTLY THE OFFICE IS, AFTER ALL, 14 POSITIONS UNDER CEILING.

YOU MAY BE INTERESTED THAT THEY HAVE COMPLETED THE O/S SUMMER EMPLOYEE PROGRAM ON 5 JUNE AFTER PLACING 710 CASES IN PROCESS.
